

# Increasing value for members

## Welcome

On behalf of PMI Sydney Chapter Board, I'd like to take this opportunity to extend our warmest welcome.

The PMI Sydney Chapter is a not-for-profit organisation with over 1800 members.

Our mission is to serve you; our valued member; as well as support the promotion and advancement of the art, science and benefits of portfolio, program & project management and related professions.

We are delighted to have you on board, and look forward to working and meeting with you at one of our future events.

Amany Nuseibeh, PMP, PMI Sydney Chapter President

## Benefits of joining PMI and the Chapter

### Engaging and insightful events

The chapter runs a number of engaging breakfast and evening events, frequently featuring local and international experts such as Dr. David Hillson (The Risk Doctor), Dr. Charles Pellerin (NASA's former Director of Astrophysics) and many more. In addition the Chapter supports regional PM conferences.

### Expand your professional network

Chapter membership includes all major industries, including Banking and Finance, Insurance, IT, Construction, Defence, Consulting and many more. Our members have diverse backgrounds including Project Team Members, Business Analysts, Project Managers, PMO managers, Program Managers, Portfolio Managers, Project Directors and Executives, to name just a few!

You can also follow the Chapter and help build your social media presence on **Twitter, LinkedIn & Facebook**

### Connect with us. Stay informed!

### Validate your market worth

Knowing your earning potential is an invaluable asset when you want to leverage opportunities, invest in skills to raise your marketability, and plan the next phase of your career.

PMI members have free online access to the PMI Project Management Salary Survey, including Australian and New Zealand statistics.

### Keep up to date locally and globally, with knowledge, industry developments and insights

- **Download all PMI foundational standards, practice standards and frameworks, and standards extensions** for free, including the Guide to the Project Management Body of Knowledge (PMBok®).
- **35+ online communities of practice internationally** provide for a wealth of knowledge sharing, connecting with other professionals, information exchange and discussion.

- **250+ online complete and unabridged books via eReads and Reference.** Topics include project management, leadership, teams, cross-cultural business, knowledge management and more.

- **44 specialist topics covering everything from Agile to Virtual Teams** and containing multiple papers and presentations from peers globally.

- **The latest news and research from around the globe:**

- **The Critical Path** – PMI Sydney Chapter newsletter covering local and national events of interest
- **PM Network** Global monthly magazine covering project management general interest topics. Also available online and via iPhone/iPad free PM Network App.
- **Project Management Journal** Quarterly professional journal available online including the latest research and studies in project management

- **PMI Bookstore** access the largest range of project management literature available, with a membership discount off many items

### Develop your skills

The Chapter maintains an open engagement with all **NSW servicing PM Registered Education Providers** to ensure the best diversity of training offerings for members.

In addition, the Chapter runs short courses on specialist topics, with a 50% discount for members.

The Chapter also regularly runs a mentoring program and has recently established its own Toastmasters Club.

## Formalise your experience with a certification

---

The PMI Project Management Salary Survey Seventh Edition demonstrated that holders of the PMI (PMP®) certification in Australia earned, on average, AUD\$12,704 more than their non-PMP colleagues.

In addition, it is easy to prove your professional status globally. The following certifications are awarded by the PMI:

- **Project Management Professional (PMP)®**
- **Certified Associate in Project Management (CAPM)®**
- **Program Management Professional (PgMP)®**
- **PMI Scheduling Professional (PMI-SP)®**
- **PMI Risk Management Professional (PMI-RMP)®**
- **PMI Agile Certified Practitioner (PMI-ACP)™**

The Chapter runs a number of PMP Certification Study Preparation classes throughout the year which offer a great opportunity to share approaches and discuss methods for tackling the PMP exam.

## Giving back to the profession

---

### Volunteering

Volunteers just like you run the Chapter. Your desire to help will be met with a welcoming and open environment. Benefits of being a PMI volunteer include:

- Gain leadership and management skills.
- Hone Project Management Skills and earn Professional Development Units (PDUs) to maintain your credential.
- Even greater access to members to help build your network.

### Mentoring program

The Chapter also offers member an opportunity to develop and formalise professional one-on-one relationships with other PMI professionals through the Mentor Program.

Mentees receive project management guidance and gain valuable project knowledge, increasing project management career opportunities and developing project management techniques.

Mentors contribute to the professional development of the mentees, by sharing industry knowledge and expertise, while earning PDUs through the process.
